Welcome!

PLC AND COLLECTIVE EFFICACY INSTITUTE 2024

On behalf of our teams at FIRST Educational Resources, we are so pleased that you have chosen to join us in person for **PLC and Collective Efficacy Institute 2024!** Over the course of this institute, participants will gain a deep understanding of collective efficacy - the shared belief among educators in a school that they have the collective ability to positively impact student outcomes. Through engaging presentations, interactive discussions, and real-world case studies, Dr. Donohoo and Dr. Larson will guide attendees on a journey to discover practical strategies for fostering collective efficacy within their own districts, schools and collaborative teams.

Whether you're an educator, administrator, or educational leader, this institute offers invaluable insights and tools to empower you to cultivate a culture of collaboration, trust, and collective responsibility in your school or district. Don't miss this opportunity to elevate your practice and transform your educational community. Join us in New Orleans for an unforgettable and high impact professional learning opportunity.

We want to be your continued partner in learning! As you participate in the Institute, know that we offer workshops, customized sessions, and on-site support for teachers and leaders like you. We'd love to talk with you about your goals and how we might partner with you to make these goals a reality!

Please enjoy PLC and Collective Efficacy Institute 2024!

Bios

Dr. Jenni Donohoo is a five-time best-selling author and professional learning facilitator with more than 25 years' experience in leading school improvement. Jenni has multi-year partnerships with numerous organizations where she works alongside system and school leaders to improve the quality of professional learning and collaboration in schools and school districts. Jenni currently serves as the Director of the Jenni Donohoo Center for Collective Efficacy at FIRST Educational Resources. Jenni has been a keynote speaker at conferences including WorldEduLead, Raising Student Achievement, Annual Visible Learning, Corwin's Women in Education, and the LEAP Conference in Australia. She has also presented breakout sessions at numerous conferences and in school districts across the United States and Canada.

Dr. Garth Larson is the CEO and Co-Founder of FIRST Educational Resources, an educational resources company that provides customized coaching, presentations and events for school districts throughout the globe. Garth has previously worked as the Director of Learning for the Winneconne Community School District in northeast Wisconsin, was an elementary principal in two separate buildings and started his career in education as a high school speech and English teacher. In 2011, Garth formed FIRST Educational Resources with a focus on improving student achievement across the United States. Since 2011, over 2000 school districts throughout the globe have become partnership districts with his company. Garth and his team currently consults with school districts around the world and provides customized professional development around a variety of topics, mainly Professional Learning Communities 2.0, Learning-Centered Grading Practices, Leadership and School Improvement. Garth is also the author of Collaborative Systems of Support: Learning for ALL, Grading for Impact: Raising Student Achievement through a Target-Based Assessment and Learning System and PLC 2.0: Collaborating for Observable Impact in Today's Schools, The STAGR Process Roadmap, and Extinguishing the Fires of Assessment and Grading Reform.
