

CO-TEACHING SUPPORT MODEL

CO-TEACHING SUPPORT MODEL

Looking to **strengthen** your **co-teaching** practices and boost student success?

We have solutions!

1 AWARENESS & VISION

For districts just beginning their journey

- 🕒 Define the “why” for co-teaching—connect to inclusion and instructional goals
- 🎯 Share models of effective co-teaching with staff and leadership
- 💬 Facilitate conversations with building leaders about readiness, mindset, and vision
- 📌 Identify pilot schools, willing teams, or natural entry points
- 🔧 Begin laying the groundwork for structure and staffing

Then move into Phase 2 (Plan & Prepare) or continue with a scaled Phase 1 if needed

2 ASSESS AND ALIGN

Build understanding of current practices and define the path forward

- ✅ Analyze current co-teaching practices (surveys, interviews, observations)
- ✅ Facilitate vision-setting sessions with leadership teams
- ✅ Align goals with district initiatives, inclusion, and staffing models

3 PLAN & PREPARE

Build the system before launching the work

- 🔧 Collaborate with administrators to:
 - Build scheduling structures that support co-teaching
 - Define co-teaching roles and team assignments
 - Identify lead teachers or team leaders for ongoing support
- 📋 Develop a launch and communication plan

4 TRAIN & LAUNCH

Provide role-specific learning and launch expectations

- 🎓 Deliver separate and/or joint training sessions for:
 - Building administrators
 - Special education teachers
 - General education teachers
 - Co-teaching teams (joint session)
- 🚀 Launch co-teaching with clear structures, expectations, and initial tools
- 👉 Facilitate team kickoff meetings with co-teaching pairs

5 SUPPORT & STRENGTHEN

Strengthen implementation and build teacher capacity

- 🔧 Ongoing on-site and/or virtual coaching for co-teaching teams
- 📁 Build a "Strategy Toolbox" specifically for special educators
- 🗣️ Facilitate reflective conversations with co-teaching partners
- 🕒 Support individual teachers and/or team leaders in facilitating collaboration & problem solving

6 REFLECT, CELEBRATE & REFINE

Ensure sustainability and continuous improvement

- 🔄 Conduct tune-ups and "reset" sessions mid-year
- 📊 Reassess implementation through surveys and/or feedback
- 💡 Facilitate leadership sessions to reflect and plan Year 2 goals
- 🏗️ Plan for expansion, sustainability, and leadership development
